

In its first installment of their own Intellectual Property, Steambot Studios, a collective of six digital artists working in the world of visual Entertainment, takes us aboard an epic science fiction journey. In Exodus - created in parallel with a series of educational DVDs - the group demonstrates their creative production art techniques developed through many years of experience in the field (E.A., Activision, Unisoft, Epic, Digital Dimension, Canol Plus...). Follow the Steambot crew through an original but also realistic point of view on futuristic civilizations, space transportation and society.

When I Grow Up, Baby Love (The Scotts Book 1), Reeds Promise, Camera (Amazing Inventions), Equine Behavior: A Guide for Veterinarians and Equine Scientists, 2e, Accessing the WAN: CCNA Exploration Companion Guide (Cisco Networking Academy), The Child Thief, Night Train to Turkistan: Adventures Along Chinas Ancient Silk Road, Validur: Flames of Camelot,
