

The Unexpected Zombie

The best way to describe zombies are in pictures. This book contains more funny and gruesome color illustrations of zombies to emphasize an obvious but rarely discussed issue - the unexpected zombie. Nine sections devoted to the zombie itself. Why on earth is the zombie genre so popular right now? Are we really to be afraid of zombies or take a step back in admiration? Unexpected zombies can be just about anyone and emerge at anytime. By the time you reach the end of this tale you will realize the most unexpected zombie of them all and why this one is inevitable. Find out why the future of zombies walking our planet may not be so bad after all.
