

Under Contract (The GEG Series) (Volume 1)

Charlotte McKendrick is your typical thirty-something stay-at-home mom. She has three beautiful children, a loving family, special friends, and the most wonderful, adoring husband. Her life is a dream. Er ... lets try this again. Charlotte McKendrick is not your typical thirty-something stay-at-home mom. Yes, shes got three beautiful children, a loving family (all of them lingerersyoull see), and her friends are special, all right! As far as her wonderful, adoring husband, what a joke! That bastard abandoned her and the kids six months ago. Now, she will do anything she can to survive and provide for her children. Even if it means signing on the dotted line ... Mitch Colton is the CEO of Colton Technologies. Most of his year is spent traveling around the world, bringing companies the latest innovations in automobile technology. He doesnt have time for a traditional relationship and the BS that comes with it. He doesnt do the marriage thing, the kid thing, and he certainly doesnt do the falling in love thing. All that said, he still wants someone to come home to. Someone who will offer everything he wants, and nothing he doesnt. He realizes loyalty paired with these kinds of demands wont come cheap. No problem. What he doesnt realize is that once Charlotte McKendrick signs that dotted line, hell be paying with a lot more than money.
