

## Fantasmas del pasado (Spanish Edition)

Jeremy Marsh, periodista especializado en desenmascarar fraudes con apariencia de hechos sobrenaturales, viaja a Boone Creek, una pequeña localidad de Carolina del Norte, en busca de la causa real que se esconde detrás de unas apariciones fantasmagóricas en el cementerio del pueblo. Pero Jeremy ha de enfrentarse a algo verdaderamente inesperado, para lo que esta vez su razón no tiene respuesta: el encuentro con Lexie Darnell, la nieta de la vidente del pueblo. El dilema no tardará en surgir: si la joven pareja quiere empezar a construir un futuro en común, Jeremy deberá elegir entre regresar a su vida en Nueva York y arriesgarse a otorgar un voto de confianza a la fe ciega, en la que nunca había creído. / As a science journalist with a regular column in Scientific American, Jeremy Marsh specializes in debunking the supernatural. A born skeptic, he travels to the small town of Boone Creek, North Carolina determined to find the real cause behind the ghostly apparitions that appear in the town cemetery.
