

It might sound like a mans favorite fantasy - to live forever, destined to be the lover of thousands of women. But for Julian of Macedon, its a nightmare. Once he was a proud Spartan general; now hes a love-slave, his essence magically held captive in a book, cursed to spend all eternity pleasing women. Then, one day, Grace Alexander summons Julian to fulfill her passionate dreams - and sees beyond the fantasy to the man himself. Long years as a sex therapist, listening to other peoples bedroom problems, have taken a lot of the fun out of the physical side of love for Grace. But with or without sex, the rules of the enchantment cannot be changed - Julian is hers for the next month. And, as their time together slips by, Julian and Grace find more to share than sympathy and conversation and they begin to wonder if love might be within their grasp. That leaves only one question. Is love enough to break a 2,000-year-old curse?
