

Fayes Spirit (Erogenous Zones Series Book 3)

One outrageous weekend with two men, that's what Faye Evans dreams of, but when she meets Jai and Garth -- and their live-in ghost -- she gets much more than she bargained for. Faye Evans is a woman on a mission. Both her older sisters have had menage a trois relationships and now Faye too harbours a desire to sample the pleasures of two men, if only for a single wild weekend. The opportunity arises when architect Garth Connor calls her in to investigate the ghostly presence in his business premises. Both Garth and his business partner, Jai Nilson, are gorgeous hunks, and Faye can't help being attracted to them. Garth and Jai are friends and colleagues but their relationship is competitive. When the mischievous ghost medium walks into their life and shows interests in them both, the edge between them sharpens. While Jai often walks on the wild side, Garth has never shared a woman before, but his desire for Faye makes him rise to the challenge. Especially when Jai quickly picks up on Faye's secret wishes and pushes things along, orchestrating their interactions until the simmering eroticism between them demands hardcore action. But Faye's fling isn't as straightforward as she'd anticipated. She soon worries that she's endangered Garth and Jai's friendship by getting involved, and even more so when the shadow of a secret, long-held grudge between the two men falls over their threesome and their growing affection. To top it all, dealing with the resident ghost only adds to the emotional entanglement, making Faye feel she wants to end it and run. But are Garth and Jai about to let her get away?
