

Final Edge: Cherokee Justice (The Edge Series #4)

The body of a young woman is found--piece by piece. The ghastly mementos are being delivered to Detective Lucas Stonecoat and psychiatrist Dr. Meredyth Sanger, signaling the beginning of a gruesome game. But whos playing it? Why? And how far will it go next? Arthur and Lauralie are an average couple--in every way but one. In the privacy of their isolated farm, they share a taste for the macabre. Utterly devoted to each other, theyll do anything--to anyone--to keep their love alive. Now theyre engaging another couple in love to play along... But how close to the edge of madness are Lucas and Meredyth willing to go to survive? (This book is fourth in Robert W. Walkers Edge series. It was originally published in paperback.)
