

My Wife on the Doctors Table (Bareback Medical Cuckold Erotica)

Warning: this erotic short story contains cuckolding, a medical exam, and voyeurism, and is for adult readers only. Ned likes to accompany his wife Ellie to her appointments at the womens health clinic. Mostly so he can watch how she reacts when the handsome doctor examines her, running his sure hands over her supple, attractive body. Ellie likes it, Ned likes it and Dr. Mason has no idea. Or does he? Theyre both shocked and delighted when their fantasy turns out to be exactly what the doctor has in mind. Ned watches while the dominant, well-endowed doctor satisfies his wife right there on the examination table.
