

## Flirting With Desire Book 4

This is Book 4 of the Flirting With Desire Series. A seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion, searing depictions and emotion. Time and again Damian began to prove to Hanna there were many sides to him to keep her in a constant state of confusion. She wanted more than anything to deny the things he made her feel and at the same time, all she wanted to do was to surrender, completely. Desire grew into something deeper, stranger. Hanna felt propelled by the shocking turns in both their lives to make the choice that would keep her from turning into someone she no longer recognized. Damian could easily become her all and with the way he seemed to thrive on control, Hanna simply wasn't ready for such total power exchange. Days filled with danger and nights engulfed in sweet, flagrant passion Damian and Hanna would find themselves drawn into a web that became a tangle of deceit, heartbreak and hopefully, forgiveness. And then maybe, one of them could be strong enough to take the step that would find them sharing forever, or existing apart. It would take near fatal odds for them to finally decide. This ebook contains very hot descriptions of romantic activity. Only mature readers should download this book.
