

Growing up in the 20th century has been a difficult, trying process. Filled with insecurities and loneliness; childhood, adolescence and adulthood have been proven to be times that either make or break us. The challenges, the blessings, the good and the bad, all contribute to who one becomes. Feelings are strong and we are all just trying to belong. For the adoptee, being adopted brings many hurdles and obstacles to overcome. The following is a collection of poems written by an adoptee expressing the emotions and feelings within. These poems follow the journey of an adoptee and her thoughts and feelings throughout 42 years of her life.
