

Lauras Taboo Visit: A Forbidden Taboo Erotica

Age wont dull her drive... for the taboo! Laura Coopers fast approaching middle-age, but time hasnt robbed her of her urges, nor her adventurousness. Shes always had the hots for Mark, even though shes twice as old as him, and even though shes not supposed to because its simply too taboo. But when she contrives to visit him, she knows shes in for a hot and forbidden tryst! This forbidden taboo story contains themes of illicit love and lust, themes that some readers may not be ready for. As regulations prohibit me from being specific, please click Look Inside for a succinct summary of the contents of this story.
