

Forests Dark and Deep (Following the Wolf, Book 1) (Werewolf BBW Erotic Romance)

Abandoned by her parents at a nunnery by the side of an ancient forest, Riona has always known that she was different. Despite her innate passion and her natural curiosity, she is resigned to spending her life as a pious sister of the order until a pack of werewolves arrive to show her just how special she really is. Rordan is the wolf king of the Dunclough pack, and for his beloved people, he will cross any line and break any law. He was ready for anything, but when his chosen prey turns out to be a beautiful, curvy woman with a fiery spirit and a wild streak, he finds that his plans need to change. Riona must learn about her sacred heritage while learning about the ways of the werewolves and the heart of the man who abducted her. ***
