

## Fortune de France (French Edition)

De la mort de Francois Ier en 1547 a l'edit de Nantes en 1599, la France s'enlise dans l'épreuve des guerres de Religion. C'est dans ce pays devasté, en proie a la misere, au brigandage, a la peste, a la haine, que grandit le jeune Pierre de Siorac, rejeton d'une noble famille perigourdine et huguenote, heros et narrateur du roman. C'est toute une époque qui revit a travers l'histoire des Siorac, avec ses paysans, ses princes, ses hommes d'épée ou d'Eglise, ses truculences et ses cruautés; sa langue, aussi, savoureuse, colorée, merveilleusement restituée au lecteur d'aujourd'hui. Époque ou peu a peu va naître une exigence de tolerance et de paix, en écho au cri d'indignation et d'espoir de Michel de l'Hospital: - Ne verra-t-on la Fortune de France relevée ? -
