

STEAMY ROMANCE: Tamed by Her Alien Lover - Handsome, Strict, Older Man Disciplines His Unruly Little Earthling Girl - Submission, Spanks, and Satisfaction...

A naughty tale of unexpected passion and pleasure... Life on earth can be boring and repetitive for some. With so many other worlds out there, filled with all sorts of handsome, lusty alien men it can really drive a girl up the wall. And so when youthful, sassy, and day-dreaming Jessica upsets her father one too many times she finds herself being listed in an advertisement as a mail-order earthling bride! For an unruly girl like her, this comes as quite a shock. Naturally she is hesitant to accept the idea of being shipped off but then again, an ill-behaved woman like herself doesn't have much say in the matter. Soon, Jessica is being shipped off to a distant galaxy where she is to live with an older, very strict being. The only thing she knows about this planet is that the men are rumored to possess rather large, ahems but before any such forbidden pleasures can be dished out will the disobedient girl allow herself to be tamed by her muscular keeper? And what naughty wonders lurk on the horizon for the untouched lass?
