

# La Legende de Saint Julien l'Hospitalier-The Legend of Saint Julian the Hospitaller (French/English) [Annotated] (Rafael Estrellas Dual Language Library) (French Edition)

Rafael Estrellas Dual Language Library is dedicated to bringing classic titles to a bilingual interlinear format specifically for e-Books. This version brings you the classic short story of The Legend of Saint Julian the Hospitaller by Gustave Flaubert. I have preserved the original translation of Arthur Sydney McDowall from French to British English as much as possible. However, in order to preserve a continuity of the interlinear dual language format, I added text the original translator had failed to include. Because of the liberties that Mr. McDowall took in his translation of this work and because of the inherent differences in grammar and punctuation between the two languages, a true interlinear format was not possible. Consequently, you will find unusual break in text. If you find any errors, omissions or if you have any suggestions, please notify us at [duallanguagelibrary@gmail.com](mailto:duallanguagelibrary@gmail.com).-----  
---La Bibliothèque de Langage Double Rafael Estrella est devolue aux titres classiques a textes paralleles/texte alternant (français/anglais) adaptes pour e-books. Cette version vous apporte la courte histoire classique La Legende de Saint Julien l'Hospitalier de Gustave Flaubert. J'ai conserve dans la mesure du possible la traduction originale d'Arthur Sydney McDowall du français a l'anglais britannique. Toutefois, afin de préserver une continuité du format texte alternant, j'ai ajoute du texte que le traducteur avait omis d'inclure. Du fait des libertés que M. McDowall a pris dans sa traduction de ce ouvrage et en raison des différences inhérentes à la grammaire et à la ponctuation entre les deux langues, un véritable format texte alternant n'était pas possible. Par conséquent, vous trouverez des pauses inhabituelles dans le texte. Si vous trouvez des erreurs, des omissions ou si vous avez des suggestions, merci de nous écrire à [duallanguagelibrary@gmail.com](mailto:duallanguagelibrary@gmail.com).
