

Fun in the Sun

A hapless dog frolics in the sun and sand on a perfect beach day. Its fun in the sand, but now there's sand in his lunch and sand in his suit. Time for a dip in the water! The dog splashes, splashes, and rides the waves; its fun in the water too. As the sun goes down, he flies a kite with new friends. Fun in the sky! But did he remember sunscreen? David Catrow's many illustrations make this dog's day in the sun anything but ordinary.
