

The English Garden 2002 Calendar

These garden paths are a source of continual enjoyment. From the traditional garden at York Gate in Leeds to modern designs from the Chelsea Flower Show, from urban high-rise plantings to Hampton Court, you'll see a variety of English approaches to gardening. Photographed and written by noted English landscape photographer John Glover, The English Garden offers lively visual pleasures throughout the year. This calendar won the Best Calendar Photography Quill & Pen Award from the Garden Writers Association of America for both 1999 and 2000!
