

BattleTech Starterbook Sword and Dragon (Classic BattleTech)

The Foxs Teeth McKinnons Company of House Davions Seventh Crucis Lancers, the detached Foxs Teeth have been an independent raiding force for centuries, their lightning hit-and-run tactics making them respected and feared. Sorensons Sabres A detached command originally from the legendary Fifth Sword of Light, Sorensons Sabres are a deadly unit among the elite of House Kuritas samurai, dedicated to cutting a swath through new and ancient enemies alike. A new series, the Starterbooks are a perfect way to jump into the further excitement of the Classic BattleTech universe once players have tried their hands at BattleTech. Starterbook: Sword and Dragon provides a short synopsis of the conflicts between the ancient enemies of House Davion and House Kurita, as well as a brief history and personal dossiers on the members of these two legendary combat commands. Including record sheets for everyone in the command - which includes eight, never-before-seen Mech variants - as well as a unique track system that allows players to develop their own scenarios, players will be firing autocannons and tossing PPC lightning at one another in no time! The Classic BattleTech Introductory Box Set is required to use Starterbook: Sword and Dragon.
