

## Pathfinder Adventure Path: Giantslayer Part 1 - Battle of Bloodmarch Hill

The Giantslayer Adventure Path begins! In the human town of Trunau, a beleaguered settlement surrounded by the brutal orcs of the Hold of Belkzen, the heroes must investigate a mysterious death. Before they uncover the truth, however, Trunau comes under attack by an orc army, and the heroes must help defend it, only to discover the real reasons behind both the murder and the orc raid both were just distractions from a wider conspiracy involving a giant chieftain, who seeks the treasures of the forgotten tomb of an ancient giant hero beneath the town. A Pathfinder Roleplaying Game adventure for 1st-level characters, Battle of Bloodmarch Hill kicks off the Giantslayer Adventure Path, an epic campaign of classic sword & sorcery thrills. A selection of new monsters, a primer on the various giants of Golarion, a toolbox of new mechanics for use with giant foes, and the first installment of a new Pathfinders Journal written by Richard Pett round out this volume of the Pathfinder Adventure Path.
