

The Ceremony

What would you risk for love that transcends conventional limits and ordinary expectations? Juliana discovers her own answer when she returns to the island of her birth and makes a life-changing decision that leads her to great disappointment and even greater love. Will she and her soul mate both be willing to embrace the love they share despite the sacrifices that will be required of them? After a year as Anthony's wife, Juliana wrestles with dissatisfaction and longing. She returns to the island of her birth when Anthony gets an assignment from his magazine to write a series of stories on primitive cultures and pagan ceremonies. When her father Peter meets them at the dock, Juliana recognizes the handsome man with him as Nasir, an old childhood friend and classroom rival. During the long drive through the jungle to the village, they debate philosophy and politics. While Anthony takes a quick dislike to Nasir, Juliana finds him intriguing. Join Juliana on her sensual journey of self-discovery as her relationship with Anthony dies and her ties to Nasir and the island grow through a series of encounters involving ancient fertility rituals, financial hardships, the undying love of family, and a mysterious island sorceress.
