

Grendel: Devils Reign (Grendel (Graphic Novels))

The award-winning team of Grendel creator Matt Wagner and artist Tim Sale deliver one of the most ambitious epic in comics, in this groundbreaking synthesis of politics, war religion, and the devil. The year is 2530, and the corrupt Church, Vatican Owest, has fallen, spreading upheaval across North America, along with an infestation of vampires. In this new world, Ex-COP leader Pellon Cross is still at large, devil-possessed Eppy Thatcher is missing, and Orion Assante is on an ambitious quest to restore order to the continent and gain legitimate power. But will Orion attain his goals before threats from overseas change the rules in this game for power?
