

# The Secret Life of the Expectant Mother: Nine Months of Mysterious Intuitions and Heightened Perceptions

Whether one calls it instinct, an inner sense, gut feelings, ESP, or hunches, the expectant mothers intuition is legendary. The Secret Life of the Expectant Mother presents compelling stories of pregnant women who have a sense of communication with their unborn child, flashes about medical complications, or dreams that foreshadow the future. This book contains dozens of practical exercises designed to develop intuition and strengthen the parent-child bond.
