

## My Favorite Fantasy: Cuffed: An Erotic BDSM Sexy Cop Novella

Knowing her life needs a major reboot, Courtney Munroe leaves behind Flatwoods, West Virginia (and a rap sheet even her moonshining papa would be proud of) to create a new life for herself. She is happily travelling the straight and narrow, flying under the radar of law enforcement, when Officer Travis Ridgeway walks into her bar and into her naughtiest fantasies. After the best night Courtney has ever spent in custody, Travis says he wants more. Even though taking a ride in Officer Ridgeway's handcuffs might be a whole lot of fun, Courtney is sure her hot cop will discover her secrets and bring her new world crashing down around her.
