

## Hannah Duff, Going Home Book 2

Hannah Duff Front Cover HANNAH DUFF is the second book in the highly acclaimed series GOING HOME by author Jim Burnside. By 1909 Hannah's education has been curtailed. On her last day she plans to daub the bustle of Queen Victoria's statue in Leith with an emblem of Women's Suffrage. In solidarity with the memory of her mother she assumes her lapsed Christian name and leaves childhood behind to take a job in Liverpool. With evolved wisdom beyond her years, Hannah becomes Governess to Lady Christina Leslie's daughters. Through the turmoil of Red Sunday to the tragedy of the Great War, she sustains balance through political activism while letting love into her life. But can she ever find peace?
