

## Hannibal (Hannibal Lecter 3) (Spanish Edition)

Siete años han pasado desde que Clarice Starling, agente especial del FBI, se entrevistara con el doctor Hannibal Lecter en un hospital de máxima seguridad. Y siete años desde que Hannibal el Cannibal burlara la vigilancia y desapareciera dejando una sangrienta estela de víctimas. Sin embargo, cuando Clarice cae en desgracia en el FBI, el doctor Lecter sale a la luz para ponerse en contacto con ella. Así se reanuda la persecución de la codiciada presa, y Clarice, que no ha olvidado su encuentro con la brillante y perversa mente del doctor, es encargada del caso.
