

## Force of Blood: A Woods Cop Mystery (Woods Cop Mysteries)

Late spring, 2007. Michigan in economic freefall, state budgets being slashed, politics reduced to nastiness, state jobs being erased, and personnel furloughed without pay. Grady Service, detective for the Department of Natural Resources (DNR) in the Upper Peninsula, watches as his colleagues leave the department one by one. Upon being asked by an old friend to look into unspecified problems his son is facing on the shores of Lake Superior, Service has no idea how complicated his life is about to become. All he knows is that the situation involves something his friend calls bleeding sand and that his new partner, Conservation Officer Donna Jingo Sedge, is the oddest young officer he's ever met. The story moves at breakneck speed as Service, nearing three decades as a Woods Cop, finds that expectations seem to be changing on all fronts, personal and professional, and he is not certain he can live up to them.
