

Hard Times

Charles Dickens's shortest novel, *Hard Times* presents a harsh appraisal of English society during the Industrial Revolution. Set in fictitious Coketown, *Hard Times* tells the story of Thomas Gradgrind and his children, Louisa and Tom, as they struggle to make their way in a changing England. Through the characters of Thomas, Louisa, and Tom, Dickens explores the divide between mill owners and workers during the Victorian era. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms.
