

# The Kimberlite Conspiracy

The second suspense filled action adventure novel, in the UNICOM series, that explores the convoluted relationships between government, organized crime, and terrorists. The UNICOM Headquarters Building is destroyed and the remaining UNICOM agents are mobilized. Cooper and Laura Langston, along with the surviving agents pursue suspects across the world, as they unravel the mystery and identify those responsible for the bombing. As the investigation proceeds, a link between the terrorists and the Mafia is uncovered. Cooper and Laura discover that the plot is more far reaching than they expected and that the safety of the free world depends on their success.
