

Take Two! (Hollywood Tales Book 2)

Hollywood. The movie industry. Sexy, Hot. Fast-paced. Hollywood Tales is a monthly series taking you into the heart (and other places) of the glamorous movie business following four roommates. Angela Talbot works as a nurse and waits for her chance to audition for that big role. She's a hot brunette in a crisp white uniform who doesn't appreciate how great she is -- but she is learning. Fast. Dominique Dizzy Dayton will take any job -- or anyone -- in the movie biz. Whether part timing it as a restaurant hostess or hot timing it with the men behind the cameras, she is on her way up with movie moguls. And willing to get down, if that's what it takes. Chad Lange works for a real ballbreaker as a production assistant. He handles the jobs his boss doesn't want -- and handles a lot more. With access to movie sets and a wild imagination, he can seduce the most starry-eyed actress and let her have a taste of movie magic. Irena Buck is in an open marriage with Chad -- and determined to find all the possible things to do that rhyme with her last name. Working as a PA for a big indie film maker, she hobnobs with both up-and-coming actors and full-blown movie biggies. In Hollywood Tales #2, Take Two! Chad and Irena engage in playacting on the set of a 30s gangster movie, taking full advantage of the setting to explore both the script and each other. Shackles and touring cars, anything goes. And it does...as they come. Enjoy Chad and Irena enjoying one another and watching as his bosses negotiate some back end movie deals. Don't miss Hollywood Tales #1, No Lights, No Camera, All action! Adults only please!
