

GURPS Traveller Heroes 1 (Bounty Hunter)

Wanted! Reward! Millions of people are on the run. Some have defaulted on loans. Some have skipped bail. Some have stolen from their employers ... or their loved ones. And some simply know things that they were never meant to learn. All of them are trying to lose themselves in the Imperium - and it's your job to find them before they do. GURPS Traveller: Heroes 1 - Bounty Hunters is the first in a series of books expanding on the character templates found in the GURPS Traveller rules. Contained within, you will find:

- * A full discussion of bounty hunting in the Imperium - including what to do when the local authorities won't cooperate.
- * New templates for corporate bounty hunters, repo men, skip tracers, and lots more!
- * GM advice on running a bounty hunting campaign.
- * And plenty of NPCs to use as allies, rivals, or targets!

Packed with useful information for players and GMs, Bounty Hunters is an invaluable addition to any Traveller game - and look for more books in the Heroes series coming soon!
