

Awakening Me

Awakening Me, will really do just that and awakened you into a life that will help you grow into a loving, respected, truthful, happy young women with guidance in your life. Be self awareness of those who are around you and whats being subjected into your head and subconscious mind. Awakening me is a book for teen and young girls who have the pressure of the world and the pressures of their peers and society, let yourself be awakened to the world around you and the guidance to get you through from one step to another that will be beneficial.
