

His Sassy Sub (Club Alpha Cove Book 5)

His Sassy Sub is Book 5 in the Club Alpha Cove series. It should ideally be read in order as it is easier to follow the inherent story line that flows throughout the series, but can be read as a standalone story. Their first meeting was painful. In the physical sense of the word. She ran into him, nearly unmanned him and ended on her sweet ass on the floor. Ziva Roberts was a hardened Investigative Political Journalist and was in New York to uncover her latest victim. She did not have the time to think about a muscled, too damned gorgeous Dom that awakened her dormant needs. Slade Wolf was a highly successful Businessman and owned a Global Airline as well as shares in the BDSM Club Alpha Cove. He was one of the most powerful Doms and all the subs at the club wanted him. When the little cat shattered in his arms at their first meeting by a mere command from him, he knew. She was the sub he wanted. The first time she set foot in the Club he tied her up in his ropes and thereby set the direction of the relationship. The only problem was Ziva's commitment to her job and the measures she was willing to go to obtain the information she needed. Slade on the other hand had his own insecurities to deal with. Was Ziva the one to break through the wall that he erected around his heart at a very young age? Most of all, would Slade be willing to give up on all those subs that chased after him?
