

## You and I, Together (Volume 2)

You and I, Book Two Twenty-one year old Anna (Logan) Blake has lived her life by one simple rule; never get attached. At least she did, until her life was completely turned upside down by a man that not only consumed her but literally brought her to her knees. She never dreamed that accepting a job as a dancer at one of the most secretive and exclusive clubs in the country would bring her face to face with the one man she simply could not resist. Bentley Reed.... Rich, powerful, sexy. Bentley can have any woman he wants. But to him, there is only one. Determined to prove to Logan that he can be the type of man she needs, he sets out to win the ultimate prize; her heart. But things are not always so black and white. While Bentley struggles against Logans resistance, Logan has her own battles to fight. Because when you are dealing with a man like Bentley Reed, anything can happen.... You and I Together is the second installment in the irresistibly addicting You and I series.
