

If you're looking for the perfect mate, perfect marriage, or even an amicable divorce, try throwing a few coins into the wishing well. This book is about reality. Every painful situation you'll ever encounter in the course of dating, marriage and divorce is in this book. And you'll find yourself laughing about them, instead of crying. That's the beauty of Mother Murphys 2nd Law: 1. In the battle of the sexes no one ever wins. 2. Except the ministers, the caterers, the photographers, the tuxedo rental services, and the divorce lawyers.
