

Hook, Line and Single (Sepia)

HOOKAs in hook up. For newly divorced Roxanne Ingram, its a new age of speed dating, singles parties and noncommittal encounters. Frankly, its all a little awkward for a successful businesswoman about to hit the big four-0.LINEWhats your screen name, Web site or text-messaging address? Is anyone out there over twenty-five? What about roses, candlelight and a lover who wants endless tomorrows?SINGLERelax, its just a state of mind.Between keeping her business afloat, coping with a teenage daughter and lying awake fantasizing about the mysterious and sexy new client who wants her to watch his cat, Roxanne feels like a fish out of water. Luckily, shes got courage, faith and a mind of her own. Boldly going where only singles dare to go, she braves the holiday fixups, the flirty singles theme parties and the wild world of online dating. Still, Roxanne dreams of the kind of man who makes love easy. And maybe, just maybe, hes out there looking for her.
