

## Imaginary Friends

IMAGINARY FRIENDS is a modern-day fantasy that all ages can enjoy. It was a normal Christmas Eve until Jeff Tanners youngest son Davey snapped a turkey wishbone and made a crazy wish. Now Jeff thinks hes gone insane, because he sees strange things that no one else can - bug-eyed babies, walking teddy bears, and tiny freaks galore. Whats worse, they dont like him. At all. Now Jeff has to figure out why theyre angry, and quick, before his life is ruined by a million, invisible IMAGINARY FRIENDS.
