

# How to Create Passive Income: Great Ideas to Escape the 9-5 and Make Money on The Side!

This book contains proven steps and strategies on how to ignite the passion in your life to earn you extra income to make life easier. Most people are tired of their jobs. Theyre boring, take them away from home, and only pay you a fraction of what you want. So what if I told you that you can do something that you love and make money from it? Extra money that you can use to buy nicer things, get a little financial security, or take your special someone out on a romantic getaway. Well you can. By finding the passion in your life, you can start a business from the comfort of your own home through a concept called passive income. You can take your love of model trains, binge watching college basketball, or sewing cat sweaters and make it your own personal cash cow. Find out how you can turn your life upside down and start doing what you love and all you have to do is start by reading this book.
