

Fell's How to Develop a Super Power Memory: Your Absolute, Quintessential, All You Wanted to Know Complete Guide

There is no such thing as a poor memory only a trained or untrained one. Harry Lorayne proves it by showing that anyone can accomplish amazing memory feats with speed and ease. With his link method of memory, you will be able to remember prices, phone numbers, facts, events, school work anything of interest to you including the power to recall faces and names a year later, memorize a speech from a script in minutes and more.
