

Hummingbird

From the amazon best-selling author of Second Chance On Deadly Ground and the series of Seth & Amber erotic stories comes his latest erotic thriller. HUMMINGBIRD - her submission is his salvation... The Fat Man rules the City. He controls its darkest depths with cruelty and power: drugs, prostitution, gambling...NOTHING happens in the City without the Fat Mans consent... Jack Torrence is the Fat Mans number one enforcer, an ex-Ranger with nothing to live for, he carries out the Fat Mans orders without fear or question... Selena Boyd is beautiful and intelligent, struggling to make a success of her business and unfortunately in to the Fat Man for more money than she has any chance of repaying... The Fat Man wants his money and with Selena unable to pay her debt she knows that her very life is on the line and with no way out she fears the worst... Just when Selena thinks that the Fat Man has her where he has always wanted her Jack makes her an offer, an offer that will change her life for ever, an offer that could be her only chance of survival... A stranger has come to the City hell bent on revenge and the carnage begins: there are no witnesses, there is no evidence, all the killer leaves behind is his calling card... With time running out Selena must make a decision: to save her life is she prepared to give up her soul? This story is intended for adults: contains scenes of graphic sex and violence.
