

How to Have a Healthier Dog: The Benefits of Vitamins and Minerals for Your Dogs Life Cycles

How to Have a Healthier Dog is an important new book that provides sound medical and nutritional advice that will enable you to set up your own preventive medicine and health program for your dog. Dr. Belfield recommends specific regimens of vitamin and mineral supplements for all cycles of your pets life, identifies the symptoms of common dog diseases, analyzes commercial dog foods, and tells you when it is necessary to consult a veterinarian. The importance of sound nutrition and vitamins for pets- especially vitamin c- has long been ignored. This unique book is a breakthrough in animal care.
