

THE BOOK MARKETING SECRET: How to sell books on amazon the right way - The methods proven to work best (How to Write a Book and Sell It Series 3)

Sell a lot more Kindle ebooks using methods proven to give the best results. If you're selling ebooks on Amazon, you're about to find out the very best ways of how to promote your book, and actually selling ebooks on Amazon. The author has found these, more than anything else, to deliver the best results. PLEASE NOTE: This is for non-fiction Kindle ebooks, not fiction. I have learned all these methods and strategies through trial and error. I know what works and what doesn't. These are all the methods I've used to sell a lot of Kindle ebooks on Amazon. In this book, I explain step-by-step what I do so you can get similar results. I make sure you fully understand by using explanations, examples, and pictures. I tell you everything I know that works best. If it's not in this book, chances are I've found it not to give decent results. You'll learn... What you must have first to get the very best results. This step is simple, but important. If you try to succeed without this, your results will be poor. It's not difficult. Be found. The best ways of getting the most people to see your book. (It's not having a website or blog. It's all on Amazon.) The secret to using the best keywords. This is how to know what the best keywords are and where to place them for the best results. I'll teach you a little trick to make your book appear higher in search results. How to select the best category for the most sales. If you pick the wrong category, it'll either be too competitive and result in low sales, or not be competitive enough and give you little or no results. I'll show you how to use, what I call, the category climbing method. It's the best way of building up sales. Make your sales high by using the book promotion duo. These are the only two Kindle ebook marketing strategies I use. That's because they work better than many other methods I've learned. These two book promotion methods work together far more

powerfully than on their own. Together, you'll find they deliver excellent results. How to sell ebooks on Amazon the best way Easily create book titles that practically sell ebooks on their own You'll discover the thing that makes all non-fiction Kindle ebooks sell the most. You'll be able to turn this knowledge to good use by using the powerful feature/benefit formula. To help you, I'll also show you a good little method for creating book titles. Sell more books by writing book descriptions that get the sale This is how to sell books using a description writing method that works. I give you the template that I've found works the best. You'll also find out about the list that you can use over and over again. Increase your sales by making sure of two important things Having these two, really do make a difference to Kindle ebook sales results. The checklist At the end of the book, I lay it all out for you in an easy to follow step-by-step checklist. You can either continue to sell your Kindle ebooks using the methods you are using now, or you can start using what works and delivers the best sales results.
