

## Huckleberry Christmas (Matchmakers of Huckleberry Hill)

A difficult marriage has left the Helmuths widowed great-granddaughter, Beth, finished with wedlock. Shes content to live with her great-grandparents and make a life for herself and her toddler son. But once she turns down handsome Tyler Yoders proposal, it seems only fair to encourage him to find a suitable wife. Trouble is, his gentleness and generous ways are showing her how joyous a real meeting of hearts can be ... After a failed courtship, Tyler thought the best he could hope for in a wife was mere companionship. But spirited Beth is the one he longs to protect and hold close. Earning her trust is the hardest thing hes ever had to do. And soon, both will discover that forgiveness and understanding are gifts that only rekindled faith-along with the happiest of holidays-can bring.
