

More Hypnotic Scripts That Work: The Breakthrough Book - Volume 2

By popular demand! More Hypnotic Scripts That Work The Breakthrough Book, Hypnotic Script Encyclopedia (Volume 2). If you had the pleasure of using Johns first internationally best-selling script book, Hypnotic Scripts That Work, The Breakthrough Book, you know how powerful his hypnotic word choices and session optimizers can be, for a wide variety of clinical hypnosis sessions, just as other hypnotic professionals have utilized successfully on six continents. In this volume, World Renown, Board Certified Hypnotist, John Cerbone, brings you even more of his latest cutting edge clinical hypnosis suggestions to enhance and improve your session results, based upon his 3 plus decades of experience, and innovation, state- of-the-art clinical practice work. As a trained Hypnotic Professional, you will notice, the next generation of hypnotic suggestions, deepening techniques, truisms and confusion method techniques contained within these new suggestion scripts to further deepen the hypnotic state while increasing effective impact and long-term beneficial results. These new, all original scripts and techniques are written in the style and language of this profession. All of these original suggestions, techniques and methods contained herein have proven highly effective for the majority of individuals utilizing them, quite often achieving optimum results in one or just a few sessions. Many Hypnotists utilizing this work are finding clients achieving breakthroughs quite rapidly. Just like its predecessor, this new work is a must have addition to any professional clinical hypnosis practice.
