

A Witches Box of Magickal Protection

This cleverly packaged kit contains a complete introduction to the world of protective magic. The cornerstone element is an easy-to-follow guidebook called *A Witches Apocraphya of Protection Power*. It teaches readers how to cast powerful spells to protect their homes, careers loved ones and finances. In addition to the book, the kit includes several key protection tools: a pouch containing an amulet, a talisman, an enchanted scroll and a black candle. Readers will learn all the essentials about omens, trance, destiny and the third eye. Theyll also find out about the importance of love and generosity in the Wiccan way.
