

B.P.R.D.: Plague of Frogs #2

In B.P.R.D.: Plague of Frogs #2, the Bureau for Paranormal Research and Defense traces the disappearance of a giant fungus to a deserted town. Separated from the group when their helicopter crashes, Roger the Homunculus, enthralled by a mysterious child, winds up hanging from the neck in an abandoned building. Meanwhile, the rest of the B.P.R.D. team lie unconscious at the crash site, and Abe Sapien dreams of underwater terrors.
