

Henry & Glenn Forever & Ever

Two men. Two myths. One legend. The greatest love story ever told has finally been released in graphic novel form, featuring 20 short stories about the domestic life of Henry and Glenn and sometimes their neighbors Daryl and John. Glenn deals with issues with his mother while Henry, a loud guy with a good work ethic, shows his darker side and indifference to a fan as he drinks black coffee and bonds with Glenn over their distaste for their own bands. These are two men who truly suffer best together. The book collects four serialized comics, adds 100 never-before published pages, including new stories, pin up art, and full color covers from the original series.
