

## Ironic (The Kinky Connect Chronicles Book 1)

I've got a funny story for you. A funny story I need to get off my chest. I can't share it with any of my friends, so I'm sharing it on a kinky message board full of strangers. Well, it is the Internet... . Although the Internet provides a sense of anonymity, names have been changed to protect the innocent (and not so innocent). Job-related details have been distorted to protect my identity, but despite the ambiguous details, this is a true story. A story very worthy of the acronym FML. \*Disclaimer\* This is a short erotic comedy. Not a novelette, novella, or novel, but a short story. Content is intended for a mature audience, 18+. Ironic is the first installment in The Kinky Connect Chronicles. The Kinky Connect Chronicles are short erotic stories all wrapped up in a neat little bow. No cliffhangers in the lot!
