

Mauritius - Pearl of the Indian Ocean 2017: Sculpted by Volcanoes, Mauritius is a Paradise Island (Calvendo Places)

Washed by the sparkling blue waters of the Indian Ocean and sculpted by volcanoes, Mauritius is a paradise island and is rightly called the pearl of the Indian Ocean. Its 330 kilometres of coastlines sheltered almost entirely by coral reef. The island is loaded with historic sights, cultural diversity, geographic variation and almost limitless activities to distract its visitors from the daily grind of beach and pool. From the stunning sand-rimmed lagoons and popular wide public beaches to the picturesque islands off the countrys coastline, theres truly something for everyone here. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
