

La petita Libby Day, de set anys, va aconseguir fugir quan la seva família va ser brutalment assassinada en un ritual satànic i, mes tard, va declarar que l'assassí era el seu germa gran, en Ben. Al cap de vint-i-cinc anys, quan el drama sembla superat, el passat truca a la porta de la Libby: els membres d'un club de fanàtics dels crims famosos estan decidits a desemmascarar l'autèntic responsable d'aquell episodi esfereïdor, ja que estan convençuts de la innocència d'en Ben. I volen que ella els ajudi. Nascuda a Kansas City, Missouri, Gillian Flynn ha estat periodista i crítica de televisió i cinema. El 2006 va publicar la seva primera novel·la, Ferides obertes, l'èxit i els reconeixements de la qual va repetir amb Dark Places. Les seves obres estan traduïdes a 28 països i, Perduda, la seva tercera novel·la, ha tingut un èxit mundial de públic i crítica. La nova novel·la de l'autora de referència del thriller psicològic.
