

In their Shoes: Fairy Tales and Folktales

Red shoes, golden slippers, seven-league boots... Just step into the shoes of princes and princesses, ogres and orphans, cats and rabbits, and discover a fascinating fairy-tale world of footwear. Did you know that long ago Cinderella lived in China? That dogs in America wear boots? And that a small pair of shoes in France can fall in love? With original illustrations by Lucie Arnoux, this is a timeless and captivating collection of fairy tales and folktales, whose footprints have lasted through the generations, over the centuries, and all around the world.
